**CC:** Tony Park , "Yoder, Ralph"

---

The final ruling that came out of our meeting with FHWA this afternoon is that these projects **must by re-advertised**. The ruling is based on the fact that the project was advertised prior to authorization from FHWA which is in violation of the Code of Federal Regulations. A similar situation recently occurred in another district and the ruling there is consistent with what they told us today.

Also, the advertisement for sidewalk projects should be pulled. They can be re-advertised once the Notice to Proceed is issued by the Department.

Please feel free to call me to discuss.
